## A MESSAGE FROM THE DEPUTY DISTRICT GRAND MASTER

Brethren, with the pandemic behind us, let's focus on building our lodges in numbers of good masons, growing our involvement in mentorship and community outreach. Practicing the ritual and putting on the best degree work possible should be everyone's goal.

Remember the messages and lessons that we learned as we moved through the degrees as young masons and practice them daily.

Inculcate that feeling of brotherhood, not only within our own lodges but in Masonry as a whole. Whether in the city or county, we are masons and belong to the world's oldest and largest fraternity. We are all brothers. Extend the hand of friendship and brotherhood. Help one another.

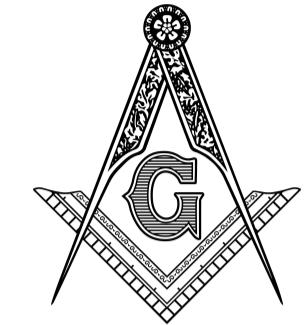

It may be an old cliche but you really will get more out of this than you put in, so get involved, push your Masonic limits. Learn new work, help mentor new members, volunteer for committees. The reasons you first joined are still here.

If you know a man that would make a good mason, a good member of our brotherhood, talk to him about masonry. Give him the opportunity to enjoy being a mason. We've been around for hundreds of years and in this fast paced world of today, that foundation and stability may just be what many good men are seeking. Let's help them find it.

Cheers brothers and let's have a great Masonic year.
